Working Plan/PC3-Foreign and Security Policy, Cybersecurity

Working Method
- Periodical PC meetings, at least one per month
- Constant communication with the Executive Board
- Constant communication with the Secretariat about PC 3 duties
- Organizational communication with FC Presidium
- Ensuring cooperation with other PCs and whole FC

Working Cycle
- Federal Committees:
  -Reinstating, when is possible, in-presence Political commission meetings in FC works
  -Early Federal Committee preparation (brainstorming, evaluating key issues and contemporary emergencies);
  -finalizing, by-deadlines, early resolution drafts;
  -finalizing statements (in cooperation with the EB);
  -Coordination with the Executive Board on PC3 issues;
  -Ensure horizontal cooperation with other Political Commission in common drafting process when needed.

- Internal works:
  -planning of PC 3 Meetings and enhancing debate;
  -enhancing internal communication (use of PC3 Mailing-list and drafting of internal newsletter);
  -organization of *ad hoc* events in cooperation with Secretariat and/or National/Local sections.

PC3 Actions
- Drafting resolutions
- Reflection papers
- Statements (in cooperation with the EB)
- Surveys
- Advice EB and Secretariat on PC3-related domains

Political Priorities
- Keep reflection and analysis on common Foreign Policy and Defense;
- Evaluation of European security (Strategic autonomy; Europe's posture regarding Russia, MENA region, EU role in NATO and US);
- Ongoing conflicts and crises: War in Ukraine; Israel-Hamas War; crises in West Africa (role of EU Civil cooperation); safety and reliance of international trade networks (e.g. Red sea crisis);
- A.I. and Cybersecurity;

Other actions & events
